Parties

The claimant/suitor/libellant and “your orator” todd, ronnie ramael,” is a private People called Moor americas aboriginal new yorker national, a Noble, A Master Merchant, a Master Mason, a Shereef, a Admiral, a Seamen, Mariner, a Piloter, a Commander, Maritime lien holder of all vessels, ships, chattels, goods, cargo, crafts, tenements, charters, estates, commodities, merchandise Land, Air, Water etc, Owner Maritime lien holder navigating the high seas onshore and offshore and Subject of the *Al Maroc Shereefian Empire*, “but not a citizen of the united states for the district of columbia and its insular possessions/enclaves(Federal), nor a Citizen of the united states of america in congress assembled and its several states(confederacy)” ingressed in arizona. the defendant Ronnie Ramael Todd a registered organization name New York county, New York is a decedent’s legal estate (“Estate”) The City of New York Certificate of Birth # 156-85-132599(R003806614) whose principal office is located at 60 Centre

Premises

The claimant/suitor/libellant's core private rights were MISTAKENLY sacrificed by his mother and father at his birth. without being fully availed and acknowledged of his equitable maritime defenses. The claimant/suitor/libellant's has tendered all consideration; and been imputed a serious liability for the indemnity or satisfaction of all of the debts of the said New York registered organization decedent's legal estate person through letters of marque/reprisal. Your orator has been subjected to a colorable quasi in rem admiralty and maritime Legal mode of letters of Marque/Reprisal Proceedings "**Acts of War**" by privateers of the united states for the district of columbia masquerading as Citizens of the united states of north america which are inconsistent with the private maritime treaty protections of the *Treaty of Marrakech 1787/1836 ARTICLE II, XXI*, the *Treaty of Algiers 1795 ARTICLE XV.*, *Treaty of Tunis 1797 ARTICLE XVIII.*, and the *Treaty of Tunis 1824 ARTICLE XII.*, as well as, the *1789 constitution for the united states of america Art 1 section 8 clause 10 and clause 17*, under the rules of Chancery due and owing to the claimant/suitor/libellant by way of his **special and particular political status** and equitable maritime rights to the same said Estate, that were intended for your orator, as the sole exclusive heir and beneficiary, by maxims of equity "*only God can create an heir,*" "*the heir and his ancestor are one and the same people,*" and "*Equity regards the beneficiary as the true owner.*" Your orator appears in *personam only for assaults and beatings on the High Seas and elsewhere*, without an administrator, a personal representative, an executor, or a trustee to defend his equitable maritime rights, titles, and interests in the same said estate and must guard his good name, against the destruction of his reputation, and his admiralty and maritime rights to equal Justice being rendered on his behalf, which are protected by his privity as an heir to the maritime treaties and the written constitution, intended for him, by its makers as an equitable maritime mortgage/compact. Your Servitude would expect no less privity as co-heir to said mortgage/compact. Your orator calls a Court of Equal justice being rendered in the original admiralty and maritime jurisdiction by nature law of nations into activity by good conscience, good faith and by his own reasonable diligence. Your orator is in *personam sui juris*, now having knowledge of his maritime Treaty rights, with opportunity to assert them, he does not delay unreasonably so to do. "*Equity aids the vigilant, not those who slumber on their rights,*" and "*Equity imputes an intent to fulfill an obligation.*"

Each named libelee/privateer/pirate was appointed "in fact" by oath/affirmation and qualified as either implied administrators, constructive or expressed fiduciaries, and at once entered upon the discharge of their duties as such. Your orator further, show unto your servitude as faithful servant that he has called upon each defendant/libelee to either Affirm or Deny the trust; to render a specific performance, by due particularity; to provide your orator with a full accounting of all accounts whether Open, Stated or Settled; to provide your orator a list of real, personal, and equitable maritime assets; to provide your orator with a list of all debts due to your orators estate during such time as he was deprived, as an incident to the right of redemption; to release any and all collateral, and return all remaining trust *res*, by *reconversion* of said "Account, to your orator, as a People called Moor *heir/beneficiary A Noble, A Master Merchant, a Master Mason, a Shereef, a Admiral, a Seamen, Mariner, a Piloter, a Commander, Maritime lien holder of all vessels, ships, chattels, goods, cargo, crafts, tenements, charters, estates, commodities, sea ports, ports of lading, convoys Land, Air, Water etc, Owner Maritime lien holder navigating the high seas onshore and offshore and Subject of the Al Maroc Shereefian Empire*; and to extinguish all local tax, obligation, reprisal, remuneration, indemnification, or debts of said estate, if any. May it be through your faithful servitude as a good and faithful servant, the said defendant/libelee(s) have failed to answer, or make defense to the trust; after he had given reasonable time so to do; render to your orator, under oath, and make discovery any statement of account of their acting's and doings as

administrators or fiduciaries aforesaid, to the very great harm, injury and loss of your orator. Your orator desires that the libelee(s) shall answer under oath, make the discovery called upon by the bill, and render over to him a full accounting of all accounts whether Open, Stated or Settled of the said estate as in conscience and equity they ought to have done or be attached and compelled to answer. Your orator desires an order taking his bill for confession, the failure of the libelee(s) to make any defense being deemed *prima facie* evidence that he has no defense to make, but, on the contrary, admits the material allegations of the bill to be true. *Qui tacet, cum loqui detet, consentire videtur* (He who is silent, though he had foreseen them, seems to agree.)

"No delay will prejudice a defrauded party as long as he was ignorant of the fraud; and, especially, if the defendant concealed the facts which it was his duty to disclose, or deceived the complainant by misstatements, or otherwise lulled his suspicions. The sleep of the complainant cannot be used as a defense by him who caused that sleep, for that would be to take advantage of his own wrong. (Henry R. Gibson §70 Latches)

May it be through your faithful servitude as a good and faithful servant, that the said libelee(s) privateer(s), and any other persons who may be confederating together at present and unto your orator unknown, whose names, when discovered, may be herein inserted, and they be made parties respondent hereto, for contriving to harm and oppress your orator in the admiralty and maritime premises. All of which acting's and doings, neglects and pretenses, and other conduct on the part of said defendants/libelee(s), are contrary to equity admiralty and maritime by nature law of nations and good conscience, and tend to manifest wrong, injury and oppression of your orator in the premises.

The same necessity invokes and justifies, in cases to which its remedies can be applied, that jurisdiction in equity in admiralty vested by said maritime treaties, constitution, and act, and which cannot be affected by the legislation of the emergency provisional congress by a committee of the states, the states, nor any agencies subject to the law of the district of columbia. This court has jurisdiction and the claimant/suitor/libellant does hereby grant all subject matter jurisdiction to this court, under the original equal justice being rendered in the admiralty and maritime jurisdiction by nature law of nations, and this court also have original and exclusive jurisdiction when it comes to matters *dealing with two or more states to all Cases affecting Ambassadors, other public ministers and Consuls;-to all Cases of admiralty and maritime*

In tender of sufficient consideration whereof, and forasmuch as your orator is remediless in the premises at and by the direct and strict rules of the common law, and cannot have adequate relief save only in a Court of Equal justice being rendered in admiralty and maritime by nature, where equal Justice can be rendered and where matters of this and a similar nature are properly cognizable and restorable. **Citing Chancellor Henry R. Gibson. I convey to this cause the basis of the inherent exclusive equitable jurisdiction that your Honor shall dispense:***

Statement of the Cause 1

The primary subject matter at issue in your orator's speciali causa (special cause) as a private People called Moor, americas aboriginal manahatan (new yorker) national, and Subject of the Al Maroc Shereefian Empire, *"but not a citizen of the united states for the district of columbia and its insular possessions/enclaves(Federal), nor a Citizen of the united states of america in congress assembled and its several states(confederacy)."* Your orator's core private rights (privatum) have been and will continue to be destroyed by People bound by oath to be Persons worthy of Trust who are Privateers/Pirates masquerading as Citizens of the united states of north america, who have, by presumptions and a form of paper genocide, attempted to denationalize or naturalize and confederating against claimant in a very **unbecoming** hostile and belligerent manner by imposing statutes codes, ordinances and other colorable instrumentalities and titles, by listing me as a human, a negro, black, white, colored, a person, (the word "person," as defined by the Code of the District of Columbia, shall apply to partnerships and corporations), a person of color, ethnic, indigenous, an Indian, a native American, African, African-American, a Latino, a Hispanic, Moorish, a Moorish American, associated with any Moorish Science Temple of America (MSTA), or Moorish Nation, a Black Identity Extremist, a sovereign-citizen, a national of a designated enemy country, a resident of any of the united states for the district of columbia, resident of any of the united states of america in congress assembled, relegating claimant/suitor/libellant to being legally incapacitated, and as a perpetual minor, if not "dead" in the law captured condemned vessels and vassels lost at sea, reduced to a political and economic status without rights, left with only benefits and privileges, incapable of taking up my own maritime rights and handling my own affairs as was intended by my ancestors. Nowhere in the constitution, maritime treaties or laws of the united states of america in congress assembled, nor the Code of the District of Columbia are any People bound by oath to be Persons worthy of Trust, subject to the public faith, granted the authority through acts of war through assault and beatings on the High Seas and elsewhere to change claimant/suitor/libellant from being a private People called Moor and Subject of the Al Maroc Shereefian Empire without his consent, volition, act and deed. It is not only not true in law or in fact, in principle or in practice, that any People bound by oath to be Persons worthy of Trust, or instrumentality created by the Trust of the People, such as the treaties or the constitutions.shall confer upon the private people called Moors any colorable quasi in rem admiralty and maritime titles or reduced political and economic status without maritime rights by nature. Said fiduciary/defendant(s)/libelee(s)/privateers have subjected the claimant/suitor/libellant to such treatment by statutes, codes, ordinance, prohibitions, rules, regulations and other colorable admiralty and maritime instrumentalities, to alter his special and particular political status. Libellant(s) core private maritime rights have been and will continue to be destroyed in libel beyond repair by presumptions as a form of paper genocide by letters of marque/reprisal.It has been in fact expressed by maritime treaty and the general laws and acts of congress of many of the several states since as early as 1845 that a private Moor is excepted

from said statutes, codes, ordinance, prohibitions. I contend that it would be contrary, to Equity in admiralty and maritime by nature law of nations, good conscience and good reason, and the various maritime/mercantile treaties of the Al Maroc Shereefian Empire, and is repugnant to the constitution, maritime treaties and laws of the united states of america in congress assembled, to mistakenly sacrifice my right to self determination as a private People called Moor, americas aboriginal manahatan (new yorker) national A Noble, A Emperor, Master Merchant, a Master Mason, a Shereef, a Admiral, a Seamen, a Piloter, a Commander, Captain Maritime lien holder of all vessels, ships, chattels, goods, cargo, crafts, tenements, charters, estates, commodities, merchandise, convoys, sea ports, ports of lading Land, Air, Water etc, Owner Maritime lien holder navigating the high seas onshore and offshore, and Subject of the Al Maroc Shereefian Empire, my name, my family ties, my hereditary culture, and my inheritance.. I am a people called Moor. ***“Equity aids the vigilant, not those who slumber on their rights”***

SECTION 1 . The common law, all British statutes in force in Maryland on the twenty-seventh day of February, eighteen hundred and one, the principles of equity and admiralty, all general acts of Congress not locally inapplicable in the District of Columbia, and all acts of Congress by their terms applicable to the District of Columbia and to other places under the jurisdiction of the United States, in force at the date of the passage of this act shall remain in force except in so far as the same are inconsistent with, or are replaced by, some provision of this code .

Statement of the Cause

The primary subject matter at issue in your orator’s speciali causa (special cause) as a private People called Moor americas aboriginal new yorker national A Noble, A Emperor, Master Merchant, a Master Mason, a Shereef, a Admiral, a Seamen, a Piloter, a Commander, Captain Maritime lien holder of all vessels, ships, chattels, goods, cargo, crafts, tenements, charters, estates, commodities Land, Air, Water etc, Owner Maritime lien holder navigating the high seas onshore and offshore, and Subject of the *Al Maroc Shereefian Empire*, “*but not a citizen of the united states for the district of columbia and its insular possessions/enclaves(Federal), nor a Citizen of the united states of america in congress assembled and its several states(confederacy),*” your orator’s special and particular status is uncontroverted. It “cannot” be altered by any of the several states and its navigation of waters and ships, *the united states for the district of columbia its waters, vessels or ships, or the united states of america in congress assembled* maritime contracts or statutes waters vessels and ships, be it expressed or implied, public or private; and therefore my special and particular status as a private Moor Subject “cannot” been reduced to an inferior grade of volunteer surety “U.S. citizenship” status by any man, state, or colorable quasi-in rem admiralty and maritime instrumentality. Your orator’s substantive core private equitable maritime rights to ***“substantive due process of war”*** and equal Justice being rendered in the admiralty and maritime by nature law of nations cannot be seen by a court of colorable admiralty and maritime letters of marque/reprisal “Acts of War ”proceeding under any mode other than the original equal justice being rendered in admiralty and maritime jurisdiction by nature, as are all at law courts today whether state or federal, as a result of section 17 of the Trading with the Enemy Act of October 6, 1917, which was made applicable to “persons within the United States,” by way of said Emergency Banking Relief Act of 1933 without violation thereof; which in such case your orator is, by legal compulsion, subjected to the laws of the *united states of america in congress assembled, or the united states for the district of columbia*, which are inconsistent with and repugnant to our reciprocal maritime treaties and therefore he cannot be “commingled” with any public U.S. citizens or nationals/allies of a designated enemy country as defined in and subject to your Emergency Banking Relief Act of March 9, 1933. Due to said exigent circumstances your orator is

without adequate, complete, and certain remedy at law admiralty and maritime by characteristic, sufficient to meet all the demands of Justice owed and due to me by virtue of my private status as an *“ipso jure”* Moor Subject of the *Al Maroc Shereefian Empire*. Your orator requires that this court and its People bound by oath to be Persons Worthy of Trust issue a private declaratory decree acknowledging that your orator is, “in fact,” a private People called Moor, americas aboriginal manahatan (new yorker) national A Noble, A Emperor, Master Merchant, a Master Mason, a Shereef , a Admiral, a Seamen, a Piloter, a Commander, Captain Maritime lien holder of all vessels, ships, chattels, goods, cargo, crafts, tenements, charters, estates, commodities Land, Air, Water etc, Owner Maritime lien holder navigating the high seas onshore and offshore, and Subject of the *Al Maroc Shereefian Empire*, *“but not a citizen of the united states for the district of columbia and its insular possessions/enclaves(Federal), nor a Citizen of the united states of america in congress assembled and its several states(confederacy)”* and that he shall be treated as friendly, amicus curiae, and respected and esteemed as that of the **most favored Nation**. *“Equity aids the vigilant, not those who slumber on their rights.”*

And shall also have cognizance, concurrent as last mentioned, of all suits at common law where the United States sue, and the matter in dispute amounts, exclusive of costs, to the sum or value of one hundred dollars. And shall also have jurisdiction exclusively of the courts of the several States, of all suits against consuls or vice-consuls, except for offences above the description aforesaid. And the trial of issues in fact, in the district courts, in all causes except civil causes of admiralty and maritime jurisdiction, shall be by jury. *“Equity Imputes an intent to fulfill an obligation”*

Statement of the Cause

Your orator’s special cause is for the termination of any guardian/ward condemned vessel relation; making any presumed administration of my estate absolute void; have decedent’s legal estate restored to your orator as the sole exclusive heir and beneficiary of said decedent’s legal estate person; and I demand restoration and exoneration from of all liabilities of the defendant Ronnie Ramael Todd a registered organization name trust vessel in New York county, New York is a decedent’s legal estate (“Estate”). The decedent’s legal estate is a derivative of the sacred trust vessel that was granted to your orator by his mother and father as grantor(s). It was intended for me as grantee absolute and sole beneficiary of the body main vessel, ship, the name, and the sum of all their attachments, including, but not limited to, all interest, lands, assets, rents, credits emitted, monies borrowed, leases, derivatives, profits, proceeds, reserves, stores, and titles thereof for his private enjoyment, use, possession, and benefit. Your orator has acknowledged and accepted all that my ancestors had intended for me. Your orator’s equitable maritime claims are uncontroverted. Your orator is beneficial owner and Captain of the Estate (vessel), and all

property attachments including, but not limited to, lands, houses, goods and chattels, rights and credits, his person, and his wives and minor offspring, and his right to work, and to sell and acquire property, and engage in any lawful business, and his and their reputation, health and capacity to labor, and his and their right to enjoy the senses of sight, smell, hearing and taste, and his and their right of speech and locomotion, and his and their right to enjoy their sense of moral propriety when normal, to live by his labor and property, and cannot be presumed to have parted with even any one of them without receiving or expecting an equivalent in value. Hence, whenever one person has obtained either the labor or property of the your orator, he should pay or account therefore, unless he can prove it was a gift by your orator; ~~your orator is interested in the settlement, and has been aggrieved by errors, omissions and false credits therein;~~ and that a just and equitable maritime settlement will benefit him. Your orator's substantive maritime equitable rights to own property and to *"substantive due process of war"* and equal Justice being rendered in admiralty and maritime by nature jurisdiction are not cognizable at law quasi in rem admiralty and maritime by characteristic, much less at martial **"Non-Substantive due process of War"** and rely exclusively on the recognition and enforcement of purely equitable maritime rights by nature.

Your orator states that due to said exigent circumstances he is without adequate, complete, and certain remedy at law colorable admiralty and maritime jurisdictions, sufficient to meet all the demands of Justice, owed and due to him, by virtue of his private status as a private people called Moor and Subject of the *Al Maroc Shereefian Empire*, and that without complete justice being administered by this High court, your orator may be subjected to further unjust and irreparable harm and destruction of his maritime treaty protected rights and property by libelee(s) in libel beyond repair. *"Equity abhors a forfeiture."*

Statement of the Cause

The primary subject matter issue of the claimant's speciali causa (special cause) is for the full restoration against all liability of the Estate as the surety or secondarily liable imposed upon him in all legal colorable admiralty and maritime proceedings in a general military character, and in a particular "State" **acts of war** letters of marque reprisal legal proceeding styled as "IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF ~~NEW YORK~~ *SOUTHERN NEW YORK* ~~These rules do not apply to prize proceedings in admiralty,~~ Which are "In Fact" legal fictions and has no **"Substantive due process of war"** and demonstrably erroneous an **"Oxymoron"**, **"unmoored"** Your orator draws into question the validity of any forms, proceedings and modes purely legal for acquiring jurisdiction, that are martial in character. A conflict arises under the interpretation of works, doctrines, ideas, principles of, or any authority exercised, inconsistent with and repugnant to any maritime treaties made or that shall be made by the *united states in congress assembled*, or the powers granted to the Committee of States, in the *Articles of Confederation*, while in the recess of congress, a conflict and variance arises. *"Where there is a conflict between the Maxims of Equity and the rules of the common law over the same subject matter, Equity shall prevail."* Your orator's core private rights are not cognizable at law, or the colorable quasi in rem admiralty and maritime legal legislative letters of marque/reprisal proceedings in the courts of the several states; nor the modern merged reformed legal system, in which only the procedural distinctions between the courts of law and equity were merged, albeit, the jurisdictions are wholly unaffected and my private **"substantive due process of war rights"** are in direct inherent conflict with the concurrent jurisdiction created by the *Judicature Act of 1873*. Furthermore, my conflict with the reformed procedure is that the intent and purpose of the ancient separation into an exclusive equal justice being rendered in admiralty and maritime jurisdiction by nature law of nations is no longer furnished and is in direct conflict with the reformed procedure. the claimant's core private natural maritime rights are in jeopardy of being destroyed by libelee(s) in libel; are of those classes, which the maritime treaties either confer or are taken under its protection, and no adequate remedy for their enforcement is provided by the forms, proceedings, and modes purely legal. The claimant is without speedy, nor adequate and complete remedy at law colorable admiralty and therefore there arises a conflict of the rule of law over the same subject matter,

the registered organization name Ronnie Ramael Todd trust vessel, in relation to the claimant/, as a “**ipso jure**” Moor Subject. Franco-Al Maroc Shereefian Empire Protectorate Treaty signed at Fez March 30, 1912

This Provision probably has in view the carrying out of that part of Article 60 of the Algeciras act which stipulates that“ before authorizing the execution of deeds transferring property the Cadi will have to satisfy himself of the validity of the Title in conformity to the Mohammedan Law” The department is, however, advised that the records of land titles in Al Maroc are very incomplete, and that this provision of the regulations may be used to delay indefinitely transfers of property in which the Moorish Government has in “Fact” no legal or equitable rights. “He who comes into equity must come with clean hands”

Statement of the Cause

The primary subject matter issue of your orator’s speciali causa (special cause), as an “implied equitable maritime surety,” he makes his original claim against/libelee(s)/privateers seeking equitable maritime restoration and remedy from the burden caused by (i) trespass upon your orators inherent natural rights to equal Justice being rendered towards him in admiralty/maritime by nature concerning any dispute (ii) exoneration of all liability and obligations imputed to your orator either by way of operation of law, mistake, error or accident, by presumption, under legal compulsion, threat and duress, or fraudulent concealment by defendant(s)/libelee(s) (iii) subrogation of all rights, title and interests of the united states of america, and the united states for the district of columbia (hereafter “creditors”) against the claimant/suitor/libellant with respect to any irrevocable obligation arising from a quasi-trust relationship conducted by said the district of columbia colorable “**non-substantive due process of war**” quasi in rem admiralty and maritime military legal letters of marque/reprisal proceedings.

Your orator states that due to said exigent circumstances I am without adequate, complete, and certain remedy at law, sufficient to meet all the demands of Justice owed and due to me by virtue of his private status as a private People called Moor A Noble, A Emperor, Master Merchant, a Master Mason, a Shereef , a Admiral, a Seamen, a Piloter, a Commander, Captain Maritime lien holder of all vessels, ships, chattels, goods, cargo, crafts, tenements, charters, estates, commodities Land, Air, Water etc, Owner Maritime lien holder navigating the high seas onshore and offshore and Subject of the *Al Maroc Shereefian Empire*, and that as the sole exclusive heir to the Estate, and that without complete justice being administered in admiralty and maritime jurisdiction by this district court, your orator may be subject to unjust and irreparable harm and destruction in contravention of his maritime treaty protectedrights and property.

The primary subject matter issue of the claimant's speciali causa (special cause) is for the complete restoration against the destruction of rights in libel born of special private fiduciary trust relations between the parties, either express, resulting, constructive, or executory, including treaties, upon which he has relied for fair dealing, good faith, accurate, complete, and equitable maritime treatment, excluding any form of casuistry. Your orator, while a minor, became entitled to a large that has all be administered and sustained, in open, stated, or settled accounts where by reason of some mistake, or omission, or accident, or undue advantage, the account is vitiated, and the balance incorrectly fixed; where by reason of some fiduciary relation of trust or confidence between the defendant(s)/libelee(s)/privateers and the claimant/suitor/libellant, where the claimant was at a disadvantage, and as a consequence the account is inequitable. The claimant equitable maritime cause is a complex accounting, and he is without full facts of the maritime assets of the trust and relies exclusively on the mode of compelling the defendant/trustee(s)/libelee(s) to make disclosure and therefore a discovery by suit in equity and admiralty by nature is indispensable. The claimant/suitor/libellant has business dealings, involving many items, in consequence of relations of trust, or confidence, the defendant(s)/libelee(s)/privateers have handled the estate of the claimant; or done business for him. The complainant is the beneficial party entitled to a settlement and desires a bill for an accounting for the funds or other property in which the claimant/suitor/libellant has an interest, and to pay over whatever may be due or belong to him. *"A good and faithful servant shall make a full accounting, to the owner, of the talents he was granted."*

The claimant/suitor/libellant has through his inherent power of appointment, appointed each defendant/libelee(s)/privateers, having transferred, on special deposit, valuable and sufficient consideration, for the fiduciary appointment, as well as, fully granting, conveying, and delivering legal title in the form of a Deed of Conveyance to each defendant/libelee(s). To be held in private by said defendant(s)/libelee(s)/privateers for the private enjoyment, use, possession, and benefit of the claimant. Each defendant/libelee(s)/privateers was noticed of the claimant's, manifest intent, purpose, to execute actual and constructive grant and conveyance on the special deposit the trust res to demand for specific performance, by due particularity, to produce a full accounting, list of all real, personal, and equitable maritime assets or other property in which the claimant has an interest; to pay over whatever may be due or belong to him, or the balance due claimant on a fair accounting; release any and all collateral and return all remaining trust res, concerning said debts due to my estate; and release any and all collateral, and return all remaining trust res, by reconversion. Your orator, as the beneficial party entitled, in consequence of such relations various sums of money or other property of the claimant went, or should have gone, into the possession, or under the control, of the defendant/libelee(s)/privateers, giving items, dates, values, and circumstances. The defendant/libelee(s)/privateers has neither Affirmed or Denied the fiduciary relation, or rendered an account of such money and property and the profits thereof; or, if he did render any, that it was imperfect and incorrect, balance due claimant on a fair accounting; that claimant refused to accept it in any respect, and so notified the defendant/libelee/privateer; Your orator requires for an account to be taken by the Clerk and Master and for a decree for the amount found due. If the defendant/suitor/libellant has any sureties bound for his good conduct, they should be made defendant(s)/libelee(s)/privateers, and their suretyship alleged in the body of the bill be equitably maritime/admiralty attached. *"One who seeks equity must do equity."*

Statement of the Cause

The primary subject matter issue of the claimant’s speciali causa (special cause) is for the full restoration against the destruction of rights born of special private fiduciary trust relations between the parties, either express, resulting, constructive, or executory, including treaties, upon which she has relied for fair dealing, good faith, accurate, complete, and equitable treatment, excluding any form of casuistry. el, lila ramaya , an infant, core private rights was NOT MISTAKENLY sacrificed by her mother and father at her birth, without her being fully availed and acknowledged of her equitable defenses. el, lila ramaya as an “implied” maritime surety, has been imputed a serious liability for her father being denied the ability to self determine identity of her said race/nationality and name and his rights as a father at the moment she was begotten therefore it being implied she was called on for the indemnity or satisfaction of the debts without previously being bound in writing of the said Arizona registered organization, NOT NAMED GRAHAM, decedent’s legal estate person. el, lila ramaya Mooress grantee, cestui que heir has been subjected to a Legal mode of Reprisal Proceedings though colorable admiralty and maritime jurisdiction without the private treaty protections of the Treaty of Marrakech 1787 ARTICLE XXI, the Treaty of Algiers 1795 ARTICLE XV., Treaty of Tunis 1797 ARTICLE XVIII., and the Treaty of Tunis 1824 ARTICLE XII., as well as, the 1789 constitution of the united states of america in congress assembled, ARTICLE III §2. §§1., and ARTICLE VI. §1., §2. and §3 and §3, Article 1 section 8 clause 10 and clause 17, under the rules of Chancery which he is entitled to, by way of his special and particular political status and equitable maritime treaty rights to the same said Estate as the sole exclusive heir and beneficiary, by maxims “only God can create an heir,” “the heir and his ancestor are one and the same person,” and “Equity regards the beneficiary as the true owner.” I walk in the shoes of my ancestors, and as heir and beneficiary. I am the father, parens patriae, and next friend, for el, lila ramaya, beneficiary of the registered organization trust vessel named NOT NAMED GRAHAM, LILA RAMAYA EL. I gave that name to her. I redeem her and have a just right to claim her (propria vigore) on my own authority, she is mine. She is born through promise. She is a child of the Most-High. This bill is filed for his benefit and all my known/unknown heir/beneficiaries that have an interest under the decree. Statement of the Cause

The primary subject matter issue of your orator's speciali causa (special cause), as an "implied equitable maritime surety," he makes his original claim against defendant(s)/libelee(s) seeking equitable relief from the burden caused by (i) trespass upon your orators inherent right to equal Justice being

rendered towards him concerning any dispute (ii) exoneration of all liability and obligations imputed to your orator either by way of operation of law, mistake, error or accident, by presumption, under legal compulsion, threat and duress, or fraudulent concealment by defendant(s)/libelee(s)/privateers, (iii) subrogation of all rights, title and interests of the united states of america, and the united states for the district of columbia (hereafter "creditors") against the libellant with respect to any irrevocable obligation arising from a quasi-trust relationship conducted by said the district of columbia colorable admiralty and maritime military legal letters of marque reprisal proceedings.

Your orator states that due to said exigent circumstances I am without adequate, complete, and certain remedy at law, sufficient to meet all the demands of Justice owed and due to me by virtue of his private status as a people called Moor and Subject of the *Al Maroc Shereefian Empire*, and that as the sole exclusive heir to the Estate, and that without complete justice being administered by this court, your orator may be subject to unjust and irreparable harm and destruction in libel of his maritime treaty protected rights and property.

Statement of the Cause

I todd, ronnie ramael a Private People called Moors/grantee/grantor/beneficiary hereby require demand, order and command the resurrection of the army of the united states to rid the several states of its infestation of pirates onshore and offshore because the danger is so imminent as not to admit of a delay. The united states in congress assembled who formed The committee of states in recess of congress (united states for the district of columbia) as written in the Articles of Confederation 1781 is already in breach of faith because its people who are bound by oath to be persons worthy of trust allowed the committee of states to go to war with a private People called Moors intentionally using DixieCrats aka Democrats

allowing them to adopt corporate equity by characteristic admiralty maritime amendments to intentionally disenfranchise the Moors one by one to citizens of the united states for the district of columbia using tools like reconstruction of history to disenfranchise the Moors by stripping them of the customs and culture of their ancestors. But I as the Lord of the Land Air and Water the Moor Subject of the Al Maroc Shereefian Empire am offering grace and forgiveness to the United States in congress assembled and its People who are bound by oath to be Persons Worthy of Trust as long as you turn back from your wicked ways and move in a manner not contrary to Equity, good conscience and good reason. Prince George in the 1763 proclamation never gave consent by license for the united states for the district of columbia and its agents to step outside of the ten miles square. So I command snow, grant murray d/b/a GRANT MURRAY SNOW chief judge/ acting as chancellor/master to restore the confederacy of the united states in congress assembled and its several states so that the Citizens of the several states may be in peace. As for the Subjects of the Al Maroc Shereefian Empire the moment they claim to be Moors I demand they be immediately released and set at liberty for I never gave permission or consent for any of my Subjects/Beneficiaries to be naturalized or members of any one of the United States. My Subjects are under Me as I am Emperor in my own right for I will never entertain the idea or Subject Matter known as Naturalization for Moors because there is no such thing as Citizenship in the Dominions of the Al Maroc Shereefian Empire. Remember as the 1786 Treaty of Marrakech states ; “ *the law of the country shall take place and Equal Justice shall be rendered*”.

On it you shall not do any work, neither you, nor your son or daughter, nor your male or female servant, nor your animals, nor any foreigner residing in your towns. 11 For in six days the Lord made the heavens and the earth, the sea, and all that is in them, but he rested on the seventh day. whenever a right grows out of or is protected by treaty, it is sanctioned against all the laws and judicial decisions of the states; and whoever may have this right is protected. But if the person's title is not affected by the treaty, if he claims nothing under the treaty his title can not be protected by the treaty.

The obligation of a treaty, the supreme law of the land, must be admitted. The execution of the contract between the two nations is to be demanded from the executive of each nation; but where a treaty affects the rights of parties litigating in court, the treaty as much binds those rights, and is as much regarded by the Supreme Court as an act of congress. Nor do treaties, in general, become extinguished, ipso facto, by war between two governments. Those stipulating for a permanent arrangement of territorial and other national rights, are, at most, suspended during the war, and revive at the peace, unless they are waived by the parties, or new and repugnant stipulations are made. This being a fact and question in law which was evidently overlooked, and which manifestly makes the denial order erroneous

Where a treaty is the law of the land, and as such affects the rights of parties litigating in court, that treaty as much binds those rights, and is as much to be regarded by the court, as an act of Congress. To Condemn a vessel, therefore, the restoration be an executive act, would be a direct infraction of that law, consequence, improper

The stipulations in a treaty between the United States and a foreign power, are paramount to the provisions of the constitution of a particular state, or the Confederacy.

Statement of the Cause

Your Orator has suffered irreparable injury beyond repair by belligerent and hostile enemy christian powers and their crewman on enemy ships and vessels who continues to cross enemy lines stepping outside of the 10 X 10 square mile of the headquarters who identifies themselves as the united states for the district of columbia masquerading themselves as Citizens of the united states of north america but in reality they are citizens of the united states for the district of columbia and privateers/pirates which in fact are committing Treason and felonies upon the High seas against the law of nations. Using colorable prize proceedings not applicable in admiralty using a 2 Tiered system causing Tyranny to destroy Ipso Jure Moor Subjects of an Empire with Malicious and Scandalous Intent and purpose through corruption of Blood using Letters of Marque/reprisal to capture and condemn the Booty as prize and steal all cargo and goods belonging to the MotherShip of the Al Maroc Shereefian Empire. The united states for the district of columbia is in Fact the modern day resurrection of the East India Trading Company which the slav(e) Trade was wholly discontinued by the Emperor pursuant the 1774 Articles of Association which was agreed *To obtain redress of these grievances, which threaten destruction to the lives liberty, and property of his majesty's subjects, in North-America, we are of opinion, that a non-importation, non-consumption, and non-exportation agreement, faithfully adhered to, will prove the most speedy, effectual, and peaceable measure: And, therefore, we do, for ourselves, and the inhabitants of the several colonies, whom we represent, firmly agree and associate, under the sacred ties of virtue, honour and love of our country, as follows: 1. That from and after the first day of December next, we will not import, into British America, from Great-Britain or Ireland, any goods, wares, or merchandise whatsoever, or from any other place, any such goods, wares, or merchandise, as shall have been exported from Great-Britain or Ireland; nor will we, after that day, import any East-India tea from any part of the world; nor any molasses, syrups, paneles, coffee, or pimento, from the British plantations or from Dominica; nor wines from Madeira, or the Western Islands; nor foreign indigo Breached in the past. 2. We will neither import nor purchase, any slave imported after the first day of December next; after which time, we will wholly discontinue the slave trade, and will neither be concerned in it ourselves, nor will we hire our vessels, nor sell our commodities or manufactures to those who are concerned in it Breached in the past. 3. As a non-consumption agreement, strictly adhered to, will be an effectual security for the observation of the non-importation, we, as above, solemnly agree and associate, that from this day, we will not purchase or use any tea, imported on account of the East-India company, or any on which a duty bath been or shall be paid; and from and after the first day of March next, we will not purchase or use any East-India tea whatever; nor will we, nor shall any person for or under us, purchase or use any of those goods, wares, or merchandise, we have agreed not to import, which we shall know, or have cause to suspect, were imported after the first day of December, except such as come under the rules and*

directions of the tenth article hereafter mentioned breached in the past. 4. The earnest desire we have not to injure our fellow-subjects in Great-Britain, Ireland, or the West-Indies, induces us to suspend a non-exportation, until the tenth day of September, 1775; at which time, if the said acts and parts of acts of the British parliament herein after mentioned, are not repealed, we will not directly or indirectly, export any merchandise or commodity whatsoever to Great-Britain, Ireland, or the West-Indies, except rice to Europe breached in the past.

The united states for the district of columbia has become a complete nuisance their unbecoming acts and deeds are completely contrary to ancient ethereal principles and needs to be completely destroyed and burned with fire like prophecy states which only the ones chosen by the most high can enforce so with the Powers invested in me As an Ipso Jure Moor Subject of an Empire I hereby conjure the spirits of the angelic bodies in the heavens to destroy all these wicked ones by enforcing Revelations chapter 16-18. ***"It is so Written so Shall it Be done ASE"***

Statement of the Cause

Your orator requires this court to issue a *Writ of QUILA TIMET* (injunction) in the foregoing bill to inhibit and restrain the said *Defendants/libelee(s)* their heirs, assigns, and agents from continuing said act or acts complained of which are contrary to treaties, the Constitution, the laws of the State, or in violation of their charters. This *Writ of Quia Timet* is required for with good conscience and good reason; it is required that said injunction be made perpetual on the grounds that said acts are contrary to Equity, good conscience, good reason, and are repugnant to the treaties, constitution, laws of the united states of america in congress assembled or in violation of their charters. Your orator requires that said *Defendant(s)/libelee(s)*, their heirs, assigns, and agents are so ordered to absolutely desist and refrain from the commission of said trespasses therefrom.

Your orator requires that if it be necessary to attach an equitable maritime lien to the company charters, bonds, sureties, and collaterals, of any of the *Defendant(s)*, their heirs, assigns, and agents, to secure the payment of the money due Complainant, for fraudulent concealment, any attempt to convert or appropriate said property to *Defendants* own use, dispose of, destroy, or clog the ability to return the collateral to the todd, ronnie ramael for any breach of faith in contravention, be levied.

Every homestead is sacred, especially when it belonged to our ancestors, and has been long in our possession. We were made ' of its dust; our fathers and mothers sleep in its bosom; and we expect to repose by their side. Our dearest memories cluster about it; it was our father's kingdom, and the home of our youth where we were princes. To sell it away from us is like a sacrilege, and to turn us out of possession is like driving us out of our Eden and forcing us forever from our holy land. And all this is true, whether the home be a cabin on a mountain side, a cottage in a valley, or a palatial mansion in the midst of a princely estate; for home is home, and there is no place on earth so dear to the human heart, be that home humble, or be it grand; for, after all, it is our home. Fortunately for the unfortunate, the homestead laws, like the Cherubim of Eden, protect the home in very many cases. (Henry R. Gibson, Chancellor)The acquisition of the property or taking other advantage of a person by the betrayal of his confidence. Such an act is a sort of treason against good faith and shocks the conscience of all mankind. (Henry R. Gibson)

Maxim: A Judge ought always to have Equity before his eyes

Notice of the Conflict and Variance of law

The remedies sought are of a purely equitable maritime by nature, and the libellant elects to apply for equitable maritime remedy and full restoration and notices that it is an established principle that when there is a conflict between the rules of admiralty/maritime and the rules of equity, over the same subject matter, the rules of equity shall prevail. Further, the claimant states that no adequate, sufficient, or speedy remedy colorable admiralty at law can provide complete justice. Your orator therefore attaches a "Table of Authorities" that are based upon well-established inherent principles and equity in the admiralty and maritime jurisprudence by nature. The maxims in support of your orator's special causes attached herewith by reference and attached hereto in Annex. Further the libellant does notice that this cause is in accordance with the soul, intent and purpose of the 1910 rules of the supreme court of the united states of Admiralty and Maritime, and that Respondents are believed to be governed exclusively in accordance with the intent of the Rules of Admiralty and Maritime of same. *Stand by what has been decided, and do not disturb what is settled.*

Wherefore the foregoing, your orator therefore requires that this court issue a decree for Libellant's special request for Declaratory Relief of the rights, duties, powers, privileges and immunities between the parties which is operative and binding upon all the parties to the suit, whether they be natural or artificial persons, and whether under disability or not."
